PDFelement is the world's best leading PDF solution, offering a wealth of features to optimize the workflow of professionals with the right editing, signing, security and collaboration tools.

Today, we have a global user base of over 15 million customers, and numerous clients including Fortune 500 companies, universities, government institutions, NGOs and small-to-medium size businesses. We're also a recognized member of the PDF Association, an international body of PDF industry leaders dedicated to the global standardization and advancement of PDF technology.

An application developer of truly multinational scope, Wondershare has offices in Shenzhen, Tokyo and Vancouver; 50+ million active customers across more than 150 countries; and 8,000+ technology & affiliate partners. Our parent company has been honored three consecutive times in Deloitte's "Technology Fast 50 China" list of fastest growing enterprises, and twice by Forbes in their "China Potential Enterprises". Respected institutions such as Sino-Wisdom and IDG count among Wondershare's investors.
